FUTURE PROSPECTS

Guar Gums main demand is increasing in the food and oil and gas segment. Company's R&D is constantly involved in developing newer guar products for food and other industrial applications for the effective control of processing problems and the same is conducive in expanding global guar polymers market. International market for certified organic guar polymer is also increasing. Taking all these prospects together, the demand for guar polymers is bound to increase in the years ahead. So the future prospects are expected to be even better.

INTERNATIONAL QUALITY STANDARDS AND THEIR CERTIFICATIONS-

(A) An ISO 9001:2000 - Certified Company-

100% EOU units of the company have been certified as ISO 9001:2000 by DNV - a Norwegian Company. So the company is meeting all the quality control parameters as set out by DNV.

(B) Hazards Analysis of Critical Control Points (HACCP)-

The product manufactured by the company is also used in the food production as thickening and binding agent. The user customers are multinational (MNC's) food producers' viz. Nestle (Friskies), Mars (Master Food), Heinz, Sara lee, Unilever, and CSM. To source their key raw materials, these MNC's prefer HACCP certified vendors. Employing HACCP in the production system one can check the following contaminations:

- Physical
- Chemical
- Microbial

(C) Good Manufacturing Practices (GMP)

Company's 100% EOU units are certified WHO Good Manufacturing Practices (WHO-GMP). Guar Polymers produced using GMP is included in the Food Chemical Codex (FCC) and approved for food use. Therefore, GMP ensures the customers that the products are manufactured in good and hygienic conditions.

MANAGEMENT DISCUSSION & ANALYSIS

INDUSTRY STRUCTURE & DEVELOPMENT

The Company VIKAS WSP was established in 1988. The Company is one of the India's foremost guar gum powder (GGP) manufacturer, supplying to all sectors of the food industry with an extensive range of quality products. Besides food, the Company also offers guar gum for technical applications such as pet food, oil drilling and fracturing, textile printing, paper making, etc. Per annum production capacity of all grades guar gum powder is 58800 MT. The Company is committed to provide its customers overall services and values that is the best. It has contributed significantly to our national output, employment and exports.

FUTURE OUTLOOK, OPPORTUNITIES AND THREATS

Your company – world's leading provider of guar gum polymers, knows how much traceability means to food and pharmaceutical producers. It offers a complete and trustworthy range of guar polymers world-wide and can fully prove their origins. Traceability serves both regulatory and consumer requirements. The company is known for proven production processes, advanced quality systems and reliable supplies. These are the reasons that your company has abductured most of the expanding market of guar polymers. Company's R&D has a gimlet-eye on the application problems and their solutions which goes a long way in expanding its business in all segments in the years ahead. Currently, your company is the sole producer of "Certified Organic guar polymers" and the same is an opportunity for the company to spread its wings in markets where none existed before. Threats – Guar is a xerophytes plant and the rain pattern of the monsoons in the Indian arid zone – mainly Western desert of Rajasthan provides ideal growing conditions. The need for just the right amount of rain at the right time leaves the guar crop heavily dependent on the annual rainfall pattern and causes occasional wide swings in guar supply and prices. With the emergence of irrigated guar seeds, dependency of guar crop on monsoon has been minimized. Now its crop is irrigated with canal water at the right time that increased its per hectare yield greatly.

COMPANY'S PERFORMANCE

During the current year under review your company has achieved a total turnover of Rs. 103651.29 lakhs as compared to Rs.290635.52 lakhs in the previous year During the year under review the company has earned a net profit of Rs. 303.32 lakhs as compared to net profit of Rs. 34453.16 millions during previous year.

FOREIGN EXCHANGE EARNINGS

Your Company remains committed to enlarging Foreign Exchange Earnings. Earnings from exports create growing value for the Indian Economy and also serve to benchmark the competitiveness of your Company's operations with global standards.

The VIKAS WSP's contribution to Foreign Exchange Earning was accounted for the agro exports, a measure of your company's growing contribution to the rural economy.

BUSINESS SEGMENT

As the Company is dealing only in Guar derivatives and Guar Polymers, therefore, segment wise detail is not required to incorporate.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company is having adequate internal control systems and procedures which commensurate with the size of the Company. All the departments of the Company are following the established rules and regulations for internal control systems. Company established a Internal Control Audit Department which ensure that the internal control systems are properly followed by all the concerned departments of the Company.

HUMAN RESOURCES/INDUSTRIAL RELATIONS

Beyond Balance Sheet, Company's singly biggest asset is its Human Resource. The Company is of firm belief that the human resources are the driving force towards progress and success. The Company continued its policy of attracting and recruiting best available talents so that it can face business challenges ahead. The Company also offers attractive compensation packages to retain and motivate its professionals so that they can infuse their best efforts. The industrial relation continues to be cordial during the year.

INDEPENDENT AUDITORS' REPORT

To the Members of
Vikas WSP Limited

Report on the Financial Statements

We have audited the accompanying financial statements of VIKAS WSP LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2014, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act") read with the General Circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2014;
- (b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") as amended, issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by Section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement comply

with the Accounting Standards referred to in sub-section (3C) of section 211 of the Act read with the General Circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013; and

- (e) On the basis of the written representations received from the directors as on 31st March, 2014, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Act.

Annexure to Independent Auditors' Report to the Members of Vikas WSP Limited

Referred to Paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

- (i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) The Company has a system of physical verification of fixed assets by which all the fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification during the year.
- c) No fixed assets were disposed off during the year.
- (ii) a) The inventory has been physically verified by the management during the year, except goods-in-transit. In our opinion, the frequency of such verification is reasonable.
- b) The procedures for the physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- c) The Company is maintaining proper records of inventory. The discrepancies noticed on verification

between the physical stocks and book records were not material and have been properly adjusted in the books of account.

- (iii) As informed to us, the Company has neither granted nor taken any loans, secured or unsecured, to or from companies or firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956.
- (iv) In our opinion and according to the information and explanations given to us, that purchases of certain raw materials are for the Company's specialised requirements and similarly goods sold are for the specialised requirements of the buyers and suitable alternative sources are not available to obtain comparable quotations. Internal control system of the company is adequate looking into the size and operations of the company *except in respect of fixed assets, where no capital budget was placed before the board.*
- (v) (a) In our opinion and according to the information and explanations given to us, the contracts or arrangements, referred to in section 301 of the Companies Act, 1956 have been entered in the register required to be maintained under that section.
- (b) In our opinion and according to the information and explanations given to us, the transactions made in pursuance of contracts and arrangements referred to in (a) above and exceeding the value of Rs 5 lakh are for purchases of certain items of inventories which are of specialised requirements of the company and similarly sale of certain goods are for the specialised requirements of the buyers and for which suitable alternative sources are not available to obtain the comparable quotations. However, on the basis of information and explanations provided, the same appear reasonable.
- (vi) The company has not accepted any deposits from the public.
- (vii) The Company has an internal audit system. In our opinion, the scope of work of internal audit and compliance needs be strengthened to make it commensurate with the size and nature of its business.
- (viii) We have broadly reviewed the books of account maintained by the company in pursuant to the rules prescribed by the Central Government for the maintenance of cost records under clause (d) of sub-

section (1) of section 209 of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including, Provident Fund, Sales tax, Income tax, Service tax, Excise duty, Wealth tax, Customs duty, Investor Education and Protection Fund, Cess and other material statutory dues to the extent applicable, have generally been deposited regularly during the year by the Company with the appropriate authorities *except there have been slight delays infew cases in respect of tax deducted at source.*

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Income-tax, Sales tax, Service tax, Customs duty, Wealth tax, Investor and Education Fund, Excise duty, Cess and other material statutory due were in arrears as at 31 March 2014 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues of Sales tax, Wealth tax, Service tax, Excise duty, Customs duty and Cess, which have not been deposited with the appropriate authorities on account of any dispute. As informed to us, dues relating to Income tax and service tax which has been deposited under protest is as follows:

Name of the statute	Nature of the dues	Amount (Rs.)	Period to which the amount relates	Forum where dispute is pending
Income-tax Act, 1961	Income tax	3,072,093	1995-96	High Court of Punjab and Haryana
Service tax Act	Service Tax	4,90,00,499	2006-07 to 2010-11	Custom, Excise and service tax Appellate Tribunal

- (x) The Company does not have any accumulated losses at the end of the financial year and has not incurred cash losses in the financial year and in the immediately preceding financial year.

- (xi) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to any financial institution or bank. The Company did not have any outstanding debentures during the year.
- (xii) According to the information and explanations given to us, the Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- (xiii) According to the information and explanations given to us, the Company is not a chit fund or a nidhi/ mutual benefit fund/ society.
- (xiv) According to the information and explanations given to us, the Company is not dealing or trading in shares, securities, debentures and other investments.
- (xv) In our opinion and according to the information and explanations given to us, the company has not given any loans taken by others from banks or financial institutions.
- (xvi) According to the information and explanations given to us, the term loans availed by the company, were prima facie, applied for the purpose for which the loans were obtained.
- (xvii) According to the information and explanations given to us and on an overall examination of financial statement of the Company, funds raised on short-term basis have, prima facie, not been used for long-term investments.
- (xviii) The Company has not made any preferential allotment of shares to companies or firm or parties covered in the register maintained under Section 301 of the Companies Act, 1956.
- (xix) The Company did not have any outstanding debentures during the year.
- (xx) The Company has not raised any money by way of public issues during the year.
- (xxi) Based on the information and explanations given and audit procedure performed by us, no fraud on or by the company has been noticed or reported during the year.

VIKAS WSP LIMITED

Notes to financials statements for the year ended on 31 March 2013

(All amount are in Indian Rupees Lakhs, except if otherwise stated)

1. SIGNIFICANT ACCOUNTING POLICIES

1.1. Basis of preparation

The financial statements are prepared under historical cost convention on accrual basis in accordance with Generally Accepted Accounting Principles (GAAP) in India, applying the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended), other relevant provisions of the Companies Act, 1956 (to the extent applicable), provisions of Companies Act, 2013 (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in Revised Schedule VI to the companies Act, 1956. Company has determined its operating cycle as twelve months for the purpose of current/ non-current classification of assets and liabilities.

1.2. Use of estimates

The preparation of financial statements requires estimates and assumptions which affect the reported amount of assets, liabilities, revenues and expenses of the reporting period. The Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

1.3. Fixed Assets

Fixed assets are stated at acquisition cost less accumulated depreciation and impairment, if any. Cost includes inward freight, duties, taxes and incidental expenses related to acquisition and installation incurred up to the date of commissioning of the assets.

1.4. Depreciation

Depreciation is provided under the straight-line method based on the estimated useful lives of the assets which are equal to the rates specified in Schedule XIV to the Companies Act, 1956 except in case of plant and machinery where depreciation is provided at the rate of 7.69%.

Assets costing below Rs. 5,000 are depreciated fully in the year of purchase.

1.5. Inventories

Inventories are valued as follows:

Raw materials, stores and spares and packing materials

Lower of cost and net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a weighted average basis.

Work in progress and finished goods

Lower of cost and net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

1.6. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

1.7. Sale of goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods are transferred to the customer. In case of export sales this coincides with shipment of goods.

Revenue in case of sale of domestic products is recognised at the point of despatch which coincides with the transfer of risks and rewards of ownership.

1.8. Foreign exchange transactions

Foreign exchange transactions are recorded at the exchange rates prevailing at the date of transaction. Foreign currency assets and liabilities remaining unsettled at the Balance Sheet date are translated at the rates of exchange prevailing on that date. Gains/ losses arising on account of realisation/ settlement of foreign exchange transactions and on translation of foreign currency assets and liabilities are recognised in the statement of profit and loss.

1.9. Employee benefits

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, and bonus etc. are recognised in the statement of profit and loss in the period in which the employee renders the related service.

Defined contribution plans

The employee's provident fund scheme is a defined contribution plan. The Company's contribution paid / payable under the scheme is recognised as an expense in the statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plans

The Company's gratuity plan is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on an actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance Sheet date. Actuarial gains and losses are recognised immediately in the statement of profit and loss.

1.10. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or productions of qualifying assets is capitalised as part of assets. Other borrowing costs are recognized as an expense in the period in which they are incurred.

1.11. Segment Reporting

Segment accounting policies are in line with the accounting policies of the company. In addition, the following specific accounting policies have been followed for segment reporting:

- Segment revenue includes sales and other income directly identifiable with/allocable to the segment.
- Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result. Expenses which relate to the company as a whole and not allocable to segments are included under "Unallocable expenditure".
- Income which relates to the company as a whole and not allocable to segment is included in "Unallocable income"
- Segment assets and liabilities include those directly identifiable with the respective segments.

1.12. Leases

Assets leased by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such lease are capitalised at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Lease arrangements where the risks and rewards incident to ownership of an asset substantially vest with the lessor, are recognized as operating lease. Lease payments under operating leases are recognized in the statement of profit and loss on a straight line basis.

1.13. Earnings per share

Basic earnings per share are computed using the weighted average number of equity shares outstanding during the year. Diluted earnings per share are computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where results would be anti-dilutive.

1.14. Taxation

Income tax expense comprises current tax, (that is amount of tax for the period determined in accordance with the Income tax laws) and deferred tax charge or credit (reflecting the tax effects of timing difference between accounting income and taxable income for the period).

The deferred tax charge or credit and the corresponding deferred tax liability and/ or deferred tax assets is recognised using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that the assets can be realised in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and are written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

In accordance with the provisions of Section 115JAA of the Income-tax Act, 1961, the Company is allowed to avail credit equal to the excess of Minimum Alternate Tax (MAT) over normal income tax for the assessment year for which MAT is paid. MAT credit so determined can be carried forward for set-off for ten succeeding assessment years from the year in which such credit becomes allowable. MAT credit can be set-off only in the year in which the Company is liable to pay tax as per the normal provisions of the Income-tax Act, 1961 and such tax is in excess of MAT for that year. Accordingly, MAT credit entitlement is recognised only to the extent there is convincing evidence that the Company will pay normal tax during the specified period.

1.15. Impairment of assets

Management reviews the carrying amount of all assets at each Balance Sheet date using internal and external sources of information to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the assets or its cash generating unit is estimated. Impairment occurs where the carrying value of the assets or its cash generating unit exceeds the present value of future cash flows expected to arise from the continuing use of the asset or its cash generating unit and its eventual disposal. An impairment loss is recognized in the statement of profit and loss whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount and is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

1.16. Contingencies

A provision is created when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

2. Share capital

34. Segment information

As per Accounting Standard 17 "Segment Reporting" as specified in Rule 3 of Companies (Accounting standard) Rules, 2006, the primary segment reporting i.e. business segments is not applicable since the Company primarily operates within single

primary segment of manufacture and export of guar gum powder. Accordingly, primary segmental reporting is performed on the basis of geographical location of customer.

Geographical segments at the company primarily comprise customers located in US, Europe, India (Domestic) and others. Income in relation to segments is categorized based on items that are individually identified to those segments. It is not practical to identify the expenses, fixed assets used in the company's business or liabilities contracted, to any of the reportable segments, as the expenses, assets and liabilities are used interchangeably between segments. Accordingly, no disclosure relating to total segment results, total segment assets and liabilities have been made.
